INDEPENDENT AUDITOR'S REPORT

To the Board of Directors South Florida PBS, Inc. and Affiliates

We have audited the accompanying consolidated financial statements of South Florida PBS, Inc. and Affiliates (the "Organization"), which comprise the consolidated statements of financial position as of June 30, 2021 and 2020, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

SOUTH FLORIDA BUSINESS TOURNAL

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of South Florida PBS, Inc. and Affiliates as of June 30, 2021 and 2020, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As disclosed in Note 23 to the financial statements, management of the Organization has provided details in regards to the current steps taken to improve the Organization's financial performance. Our opinion is not modified with respect to that matter.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedules of supplementary information on pages identified in the table of contents are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 20, 2021, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Note 1 - Organization and Operations

South Florida PBS, Inc. (SFPBS) was created by the merger of WXEL Public Broadcasting Corporation (WXEL) and Community Television Foundation of South Florida, Inc. (WPBT) on September 30, 2015. SFPBS operates television stations on Channel 2 and on Channel 42, televising to the sevencounty South Florida service area. These are noncommercial television stations and are affiliated with the Public Broadcasting Service. SFPBS also produces program features and series for national and international distribution.

In May 2018, SFPBS launched a new 24-hour Health Channel, the first TV channel of its kind that connects viewers with medical and well-being specialists in real time. SFPBS is also developing the Health Channel as a significant on-line presence and health information resource. The financial results of the Health Channel are included within the SFPBS entity for financial reporting purposes.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting: The financial statements are prepared using the accrual basis of accounting for reporting purposes, which is in accordance with accounting principles generally accepted in the Unites States of America ("GAAP"). Revenues are recognized when earned and expenses are recognized when incurred.

Principles of consolidation: The consolidated financial statements include the accounts of SFPBS, South Florida PBS Foundation, Inc. (Foundation) and SFPBS Foundation's wholly-owned affiliate, Comtel, Inc. (Comtel), (collectively referred to hereinafter as SFPBS). All significant intercompany balances and transactions have been eliminated in consolidation.

The Foundation was created for the purpose of providing support to SFPBS and six of its eight members of the Board of Directors are members of SFPBS's Board of Directors. The Foundation's funding is obtained primarily through investment earnings and contributions. Comtel is a for-profit entity, which derives revenue primarily from the production of television material for commercial distribution. Comtel's Board of Directors consists of six members, four of which are also members of SFPBS's Board of Directors.

Basis of presentation: Financial statement presentation follows the guidance of the Financial Accounting Standards Board in its Accounting Standards Update (FASB ASU) No. 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities. Under FASB ASU No. 2016-14, SFPBS is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net assets: Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

 Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.
 The governing board has designated, from net assets without donor restrictions, net assets as described in Note 7.

Net Assets With Donor Restrictions - Net assets subject to donor (or certain grantor) imposed restrictions. Some restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor or grantor. Other restrictions are perpetual in nature, where the donor or grantor stipulates that resources be maintained in perpetuity.

Generally, contributions restricted by donors are reported as increases in net assets without donor restrictions if the restriction expires (that is, when a stipulated time restriction ends, or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. All contributions are considered available for general use, unless specifically restricted by the donor or subject to other legal restrictions.

Cash and cash equivalents: SFPBS considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. SFPBS maintains cash balances at financial institutions which may, at times, exceed Federally insured amounts.

Investments: All investments in equity and debt securities are measured at estimated fair value. Investments consist of government, corporate and foreign bonds, mutual funds, and marketable equity securities. SFPBS, by policy, limits the amount of credit exposure to any one counter party.

Certain investment securities held by the Foundation have been classified as long-term assets in the accompanying consolidated statements of financial position because they have been designated by the Board of Directors as a quasi-endowment fund for the long-term support of SFPBS (Notes 4 and 7).

Promises to give, grants, bequests, and other receivables: Receivables for pledges, grants, bequests, and other are carried at original amount, discounted if long term, less an estimate made for doubtful accounts. The Organization determines the allowance for doubtful accounts by identifying specific troubled accounts and by using historical experience applied to an aging of accounts. Management recorded approximately \$ 17,000 in provision for doubtful accounts at June 30, 2021 and 2020. SFPBS had no material unconditional/conditional promises to give as of June 30, 2021 or June 30, 2020.

Program broadcast rights: Program broadcast rights are recorded at the lower of unamortized cost or estimated net realizable value. Program broadcast rights are amortized over the contract period generally using the straight-line method. The estimated cost of program broadcast rights to be charged to operations during the next year has been classified as a current asset.

Property and equipment: Property and equipment is stated at cost less accumulated depreciation, except that donated property and equipment used in the normal course of business is stated at its approximate fair value at the date of donation. Depreciation is computed using principally the straight-line method over the estimated useful lives (Note 8) of the assets. Costs of repairs and maintenance are charged to operating expense as incurred; improvements and betterments are capitalized. When items are retired or otherwise disposed of, the related costs and accumulated depreciation are removed from the accounts and any resulting gains or losses are credited or charged to operations.

Donations of property and equipment are reported as support without donor restrictions unless the donor has restricted the donated asset for a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. Without donor stipulations regarding how long these donated assets must be maintained, SFPBS reports expirations of donor restrictions when the donated assets are placed in service, reclassifying net assets with donor restrictions to net assets without donor restrictions at that time. For the years ended June 30, 2021 and June 30, 2020 there were no such donations.

Impairment of long-lived assets: The Organization periodically reviews the carrying value of its long-lived assets for impairment when management makes a decision to dispose of the assets or circumstances indicate that the carrying amount of the asset may not be recoverable. The Organization compares the carrying amount of the asset to the estimated undiscounted future cash flows that an asset is expected to generate. The impairment is recognized to the extent that the carrying value is greater than future cash flows. During the years ended June 30, 2021 and 2020, no impairment losses were recorded by management.

Deferred revenue and refundable advances: Grants and contract revenue received in advance that is not recognized because the allowable costs, as defined by the individual grant or contract, have not been incurred, the unit of service has not been provided, and/or the conditions of release have not been substantially met or explicitly waived are considered refundable advances (non-exchange transaction). In addition, revenues received in advance from special events and other program income that are considered exchange transactions are deferred to the applicable period.

Paycheck Protection Program: In accordance with the guidance of the AICPA, in Q&A Section 3200, the Organization has the option to report the proceeds of this forgivable loan program under FASB Accounting Standards Codification (ASC) 470, Debt or it can apply the guidance of FASB Accounting Standards Codification (ASC) 958-605, Revenue Recognition, and account for the funds as a conditional government grant (Note 21). SFPBS's management chose to report these proceeds under ASC 958-605.

Revenue and revenue recognition: SFPBS recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been substantially met or explicitly waived. Assets received before the barrier is overcome are accounted for as refundable advances.

Contribution revenue related to the fair value of interests in an estate is recognized when SFPBS is notified by the probate court that the related will is valid, unless the amounts and timing of the distributions from the estate are uncertain, in which case the related revenue is recorded upon receipt.

Contributions under split interest agreements are recorded at the estimated fair value of the future interest, taking into account the present value of any related payments to be made to other beneficiaries. Present value computations are made using published mortality tables and a discount rate commensurate with the risk involved. Changes in the present value of annuity obligations are recognized in the consolidated statements of activities and classified by appropriate net asset class to reflect the accretion of interest and changes in mortality assumptions.

Grant revenue, including governmental contracts, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses are recognized when the allowable costs as defined by the individual grant are incurred and/or the unit of service has been provided in compliance with specific contract or grant provisions. Amounts received prior to incurring qualified expenditures are reported as refundable advances in the combined statements of financial position.

The Organization recognizes revenue from royalties when the amount is readily determinable and the receipt of funds is reasonably certain as estimated by management.

Contract production revenue is recorded as the related program is aired or when the contract obligation is fulfilled. Revenue for program underwriting is recorded on a prorated basis over the period covered.

Revenues from special events that are considered exchange transactions are not recognized until the special event takes place.

In-kind contributions: In-kind contributions, including facilities, are recorded as revenue and expense in the accompanying consolidated statements of activities. Contributed services are recognized at estimated fair value if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals with those skills, and would otherwise need to be purchased if not provided by donation. During the years ended June 30, 2021 and June 30, 2020, SFPBS recorded approximately \$ 128,600 and \$ 196,300 of contributed services, respectively. Donated facilities are discussed in Note 17.

Barter agreements: SFPBS enters into certain barter arrangements whereby SFPBS receives marketing and advertising services and facilities in exchange for on-air credits and acknowledgments. Barter revenue is recognized when the on-air credits and acknowledgments are broadcasted and barter costs when the services/facilities are received or used. The amount of barter revenues and expenses recognized during the years ended June 30, 2021 and June 30, 2020 equaled approximately \$ 166,000 and \$ 116,000, respectively.

Fundraising appeals: SFPBS utilizes various pamphlets, brochures and informational methods to inform the general public of their activities and to solicit funds. These costs are charged to development and fundraising.

Functional allocation of expenses: The costs of providing the various programs and supporting services activities have been summarized on a functional basis in the consolidated statements of activities. The consolidated statements of functional expenses present the natural classification detail of expenses by function. Program and supporting services are charged with their direct expenses. Certain categories of expenses are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses allocated include personnel and occupancy costs, among other expenses; which are allocated on the basis of estimates of time and effort, square footage basis, as well as other methods as determined by management.

Concentration of credit risk: Financial instruments that potentially subject SFPBS to concentration of credit risk consist primarily of cash, equivalents, receivables, and investments, including surrender values of life insurance policies. SFPBS has cash in financial institutions that are insured by the Federal Deposit Insurance Corporation ("FDIC"). At various times throughout the year, SFPBS may have cash balances at financial institutions that exceed the insured amount. Investments are held in brokerage accounts protected by the Securities Investor Protection Corporation ("SIPC") in the event of broker-dealer failure, up to applicable limits. The SIPC insurance does not protect against market losses in investments. Deposit and investment accounts are maintained with what management believes to be quality financial institutions. Credit risk associated with receivables is considered by management to be limited due to adequate historical collection rates and because substantial portions of the outstanding amounts are due from customers and/or donors supportive of SFPBS's mission. Receivables are unsecured.

Estimates and assumptions: The preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of consolidated financial statements and revenues and expenses recognized during the reporting period. Actual results could differ from those estimates and assumptions.

Reclassifications: Certain amounts in the prior year financial statements have been reclassified in order to be comparable with the current year presentation.

Date of management review: Subsequent events have been evaluated through October 20, 2021, which is the date the financial statements were available to be issued.

Note 3 - Liquidity and Availability

Financial assets available for general expenditures, that is, without donor or other restrictions limiting their use, within one year of the statements of financial position date, comprise the following at June 30:

	2021		2020
Financial assets, at year-end: Cash and cash equivalents Receivables, net Investments Endowment spending-rate	\$ 3,262,595 556,676 16,129,300	\$	1,709,414 402,918 12,977,650
distributions and appropriations	750,000		500,000
Financial assets, at year-end	20,698,571		15,589,982
Less those unavailable for general expenditures within one year, due to: Purpose and time restrictions by donor Perpetual restrictions by donor Board designated	(3,022,995) (7,680,368) (11,234,453)		(694,497) (7,600,368) (7,678,624)
Financial assets available to meet cash needs for general expenditures within one year	\$ (1,239,245)	\$:	(383,507)

Note 3 - Liquidity and Availability (continued)

Included in the previous table is approximately \$ 11,234,000 in Board designated funds. Distribution of these funds may be adjusted, at their discretion, based on the liquidity needs of SFBPS.

In the event of an unanticipated liquidity need, SFPBS could draw upon approximately \$4,314,000 of available lines of credit (Note 11).

SFPBS's endowment funds (Note 7) consist of donor-restricted endowments and funds designated by the Board as endowments. Management has classified income from donor-restricted endowments as restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds (original corpus) are not available for general expenditure.

Note 4 - Net Assets

Net assets without donor restrictions include Board-designated quasi-endowment funds, together with interest thereon, which, in accordance with the provisions of the endowment fund established by the Foundation for the support of SFPBS, are required to remain in the endowment investment fund except as follows:

An annual amount equal to 7% of the total funds in the endowment shall be paid out at the direction of SFPBS. Eligible funds consist of all funds without donor restrictions, including earnings of the true endowments. At its option, SFPBS may withdraw the entire 7% in any fiscal year or defer payment thereof until future years.

The net assets without donor restrictions of the quasi-endowment amounted to \$11,234,453 and \$7,678,624 at June 30, 2021 and June 30, 2020, respectively, and are classified as Board designated in the accompanying consolidated statements of financial position.

Net assets with donor purpose and time restrictions reflect the Foundation's interest in a charitable remainder trust, annuity agreements, and funds established for specific programming and capital campaign. Under the terms of the trust and annuity agreements, the Foundation is required to pay the donor, or the donor's designee, an annual return on the underlying assets during their lifetime. Upon the death of the donor or designee, such amounts will revert to the Foundation and will be reclassified from net assets with donor restrictions to net assets without donor restrictions. The Foundation used \$ 446,510 and \$ 446,016 for the purchase of the designated types of programs from the fund established for specific types of programming, for the years ended June 30, 2021 and 2020, respectively.

Investment returns on endowment funds which are required to be added to the related endowment by donor stipulations or by law are also classified as net assets with donor restrictions. Investment returns on endowment funds, which are not required to be added to the related endowment are classified as net assets without donor restrictions. Consistent with the terms of the endowment, SFPBS received \$ 607,696 and \$ 492,622 during the years ended June 30, 2021 and 2020, respectively, from the true endowment for specific programming purposes, and SFPBS also received \$ 176,725 and \$ 154,150 during the years ended June 30, 2021 and 2020, respectively, from the Vernon Julianne Trust.

Note 5 - Investments

Investments at June 30, 2021 and 2020 consist of the following:

	2021	2020
Investments of endowment funds in equity funds	\$ 5,783,433	\$ 4,718,637
Investments of endowment funds in fixed income securities	3,198,328	3,233,911
Investments of endowment funds in mutual funds	2,012,950	1,524,918
Investments of gifts of future interest in equity funds	3,574,304	1,760,134
Investments of gifts of future interest in fixed income securities	1,045,256	1,104,597
Investment of gifts of future interest in mutual funds	515,029	635,453
Total investments	\$ 16,129,300	\$ 12,977,650

Note 6 - Fair Value Measurement

In accordance with the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) No. 820, Fair Value Measurements and Disclosures, the Foundation provides certain disclosures based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. ASC No. 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between willing market participants at the measurement date. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical investments that the Foundation has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included with Level 1
 that are observable for the investments, either directly or indirectly. (e.g.
 quoted prices in active markets for similar securities, securities valuations
 based on commonly quoted benchmarks, interest rates and yield curves,
 and/or securities indices.)
- Level 3 inputs are unobservable inputs for the investments. (e.g. information about assumptions, including risk, market participants would use in pricing a security.)

Note 6 - Fair Value Measurement (continued)

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

Investments classified as Level 2, in the table below, are priced by a computerized pricing service or, for less actively traded issues, by utilizing a yield-based matrix system to arrive at an estimated market value.

The following table represents the investments at June 30, 2021:

	_	Level 1		Level 2	_	Level 3		Total 2021
Asset Class: Equities and equity funds	\$	9,357,737	\$	_	\$	_	\$	9,357,737

Total	\$ <u>_</u>	11,885,716	\$	4,243,584	\$ <u>_</u>	-	\$	16,129,300

The following table represents the investments at June 30, 2020:

	_	Level 1		Level 2	_	Level 3	Total 2020
Asset Class: Equities and equity funds	\$	6,478,771	\$	-	\$	-	\$ 6,478,771

Total	\$_	8,639,142	\$	4,338,508	\$_	-	\$ 12,977,650

For the years ended June 30, 2021 and June 30, 2020, there were no transfers between Level 1, 2 and 3. The Foundation's policy is to recognize transfers in and out as of the actual date of the event or change in circumstances that caused the transfer.

Note 7 - Endowments and Other Restricted Net Assets

The Foundation has endowed funds established for the support of SFPBS. The endowment includes both donor restricted endowment funds and funds designated by the Foundation to function as endowments. As required by accounting principles generally accepted in the United States of America (GAAP), net assets associated with endowment funds, including funds designated to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of relevant law: The Board of Directors interprets the State of Florida's Uniform Prudent Management of Institutional Funds Act (FUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, it is classified as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

Note 7 - Endowments and Other Restricted Net Assets (continued)

Investment policies: The goal of the investment program for the endowment is to provide an annual level of support for the current programs of SFPBS consistent with the preservation of the Foundation's purchasing power over time. Assets held shall be diversified to control the risk of loss resulting from the over-concentration of funds in a specific maturity, issue or type/class of securities.

Spending policies: The Foundation has a policy of appropriating for distribution an amount equal to 7% of the total available funds in the endowment. SFPBS has the option to withdraw the entire 7% in any fiscal year or defer payment thereof until future years. At the discretion of the Board, the Foundation may grant SFPBS additional funding.

Endowment net asset composition by type of fund as of June 30, 2021 is as follows:

	_	Without Donor Restrictions	_	With Donor Restrictions	Total 2021
Donor-restricted endowment funds Board-designated endowment funds	\$_	- 11,234,453	\$	7,680,368 -	\$ 7,680,368 11,234,453

For the years ended June 30, 2021 and 2020, approximately \$888,000 and \$392,000, respectively, were released from other program and time restrictions.

Note 8 - Property and Equipment

Property and equipment consists of the following as of June 30, 2021 and 2020:

		2021		2020	Useful Lives in Years
Engineering and production equipment Computer, office furniture and	\$	1,466,055	\$	14,262,769	5-7

Note 8 - Property and Equipment (continued)

Provision for depreciation was approximately \$827,000 and \$795,000 for the years ended June 30, 2021 and 2020, respectively.

Note 9 - FCC Broadcast Licenses

The Federal Communication Commission (FCC) broadcast licenses are assets with indefinite lives that are not amortized. SFPBS owns two broadcast licenses. The original broadcast license was valued as part of a previous acquisition. During the year ended June 30, 2018, a commercial Class A license with an appraised value of \$ 1,783,000 was donated to SFPBS by a Miami station which sold its spectrum in 2017's broadcast incentive auction. SFPBS will initially operate the license as a non-commercial channel and explore future opportunities to utilize the license for a commercial enterprise.

SFPBS performs impairment testing on the FCC broadcast licenses annually or when an event triggering impairment may have occurred. An impairment is considered to exist if the fair value of the FCC broadcast license is less than the carrying amount. If an impairment exists, the impairment loss is measured by the difference between the fair value and carrying amount. SFPBS's estimate of fair value is based upon, among other things, market conditions including other acquisitions of FCC broadcast licenses. Assumptions underlying fair value estimates are subject to significant risks and uncertainties. For the years ended June 30, 2021 and 2020, management has determined that no impairment exists.

Note 10 - Note Payable

SFPBS's note payable includes the following at June 30, 2021 and 2020:

	2021	2020
Acquisition note payable dated July 20, 2012, face amount of \$570,000 plus accrued interest thereon at 6%. Principal and accrued interest are payable in five annual installments commencing on July 20, 2018 with maturity on July 20, 2023. This note is unsecured.	\$ 385,413	\$ 533,408
Less current portion	(156,875)	(147,995)
	\$ 228,538	\$ 385,413

Future approximate annual payments, including interest, on the note payable are as follows:

Year Ending June 30,	_	Amount
2022	\$	180,000
2023	\$	181,300
2024	\$	64,600
Thereafter		NONE

Note 11 - Lines of Credit

SFPBS has a line of credit of \$ 1,500,000, which provides for interest on outstanding borrowings at the prevailing prime rate. The line of credit matures on February 24, 2022. The lender holds a security interest in certain cash deposits and investments maintained by the borrower with the lender and any outstanding balance is guaranteed by the Foundation. At June 30, 2021 and 2020, the line of credit outstanding balances were \$ 600,000 and zero, respectively.

Previously, the Foundation entered into an agreement with an investment company to borrow against certain investment holdings. The margin loan is collateralized by certain endowment assets held by the investment company, and the amount of credit available (\$ 3,413,770 at June 30, 2021) is determined by a certain percentage of the market value of each asset type. The loan balance at June 30, 2021 and 2020 was \$ 8,625,804 and \$ 5,992,202, respectively. The rate of interest varies and is based on the relationship and dollar amount of assets under management (1.75% as of June 30, 2021). The loan is collateralized by investments, including cash equivalents, with a fair value of \$ 17,365,430 at June 30, 2021. For the year ended June 30, 2021, interest expense in the amount of \$ 145,205 was charged in connection with this margin loan.

Note 12 - Community Service and Other Grants

The Corporation for Public Broadcasting (CPB) is a private, nonprofit grant-making organization responsible for funding more than 1,000 television and radio stations. CPB distributes annual Community Service Grants (CSGs) to qualifying public telecommunications entities. CSGs are used to augment the financial resources of public broadcasting stations and thereby to enhance the quality of programming and expand the scope of public broadcasting services. Each CSG may be expended over one or two Federal fiscal years as described in the Communications Act 47, United States of America Code Annotated Section 396(k)(7), (1983) Supplement. Each grant must be expended within two years of the initial grant authorization date.

According to the Communications Act, funds may be used at the discretion of its recipients. SFPBS uses these funds for purposes relating to the production and acquisition of programming. Also, the grants may be used to sustain activities begun with Community Service Grants awarded in prior years.

These Community Service Grants are reported in the accompanying consolidated financial statements as revenues without donor restriction; however, certain guidelines must be satisfied in connection with the application for and use of the grants to maintain eligibility and compliance requirements. These guidelines pertain to the use of grant funds, recordkeeping, audits, financial reporting, and license status with the Federal Communications Commission.

The State of Florida Department of Education also distributes annual Community Service Grants to public telecommunications entities in the state.

In addition to the CPB grants that SFPBS customarily receives, during the years ended June 30, 2021 and 2020, SFPBS received grants of \$ 574,501 and \$ 200,000, respectively, from the CPB through CARES Act funding of 2020 and American Rescue Plan Act Stabilization Grants funding of 2021.

Note 13 - Split Interest Agreements

The Foundation accepts gifts subject to split interest agreements. A split interest agreement is created when a donor contributes assets to the Foundation or places them in a trust for the benefit of the Foundation, but the Foundation is not the sole beneficiary of the assets' economic value. These gifts are in the form of charitable gift annuities or charitable remainder annuity trusts which provide that the Foundation, as trustee, make payments to designated beneficiaries in accordance with the applicable donor's trust or contractual agreement. At the time of agreement, gifts are recorded at the fair market value of the asset received net of any applicable liability. Liabilities include the present value of projected future distributions to the annuity or trust beneficiaries and are determined using the prevailing rate for computing charitable deductions for such gifts. The present value of the estimated future payments is \$2,144,775 and \$2,002,797 at June 30, 2021 and 2020, respectively, using discount rates ranging from 0.4% to 6.2% and applicable mortality tables. On a quarterly basis, the Foundation reevaluates the amount of estimated future payments. For the years ended June 30, 2021 and 2020, the Foundation reported a change in value of splitinterest agreements of approximately (\$24,000) and \$38,000. Split interest agreements are recorded as funds with donor restrictions depending on donor-imposed stipulations. The Foundation holds qualifying assets in excess of the minimum gift annuity reserves required by Florida law. The reserve amount is calculated following assumptions set forth by Florida Statute in Section 627.481(2)(a)1.b.

Note 14 - Employee Benefit Plans

Defined Benefit Plan: SFPBS sponsored a noncontributory defined benefit pension plan (the Plan) that covered substantially all of its employees that previously worked for WPBT. The Plan was amended effective March 30, 2006 to provide that there will be no further benefits after that date. Benefits previously accrued under the Plan will be preserved, but no additional increases in accrued benefits will occur after that date. Benefits are based on an employee's years of service and earnings during the ten years ending March 30, 2006. In accordance with its present annual funding policy, SFPBS contributes the minimum amount required by regulations of the Employee Retirement Income Security Act. For the years ending June 30, 2021 and 2020, SFPBS made required contributions of \$496,802 and \$399,964, respectively, to the Plan. SFPBS expects to contribute \$392,300 to the Plan during the fiscal year ending June 30, 2022.

In accordance with the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) No. 958-715, *Not-for-Profit Entities, Compensation - Retirement Benefits*, SFPBS recognizes the funded status of a benefit plan, measured as the difference between plan assets at fair value and the benefit obligation, in the statement of financial position.

The following table displays the funding status of the Plan for the years ended June 30, 2021 and 2020:

	2021	2020
Fair value of Plan assets Projected benefit obligation	\$ 13,722,185 (16,925,772)	\$ 11,489,738 (17,884,712)

For the years ended June 30, 2021 and 2020, the mortality assumptions are from the 2014 Society of Actuaries Basic Mortality Table (complete dataset) with full generational projection using the 2015 SOA Projection Scale.

The following table reflects the changes in the pension liability for the years ended June 30, 2021 and 2020 using the above assumptions:

Deferred Contribution Plan: In July of 2017, SFPBS initiated the sponsorship of a salary reduction contribution plan pursuant to Section 403(b)(7) of the Internal Revenue Code, covering substantially all employees. This plan replaced the 401(k) and restated the 403(b) plans formerly offered to WPBT and WXEL employees, respectively. The Plan allows the participant to make pretax and after-tax (Roth) contributions up to defined statutory limits. SFPBS may, at its discretion, make a matching contribution based on a percentage of the participant's Plan contributions, as well as non elective contribution. Total expense in conjunction with these matching contributions for the years ended June 30, 2021 and 2020 was approximately \$ 78,700 and \$81,000, respectively.

Note 15 - Income Taxes

SFPBS and the Foundation have qualified as nonprofit organizations under Internal Revenue Code Section 501(a) as organizations described in Section 501(c)(3) and are exempt from income taxes. Comtel is organized as a for-profit entity and, as such, is subject to income taxes. Income taxes for Comtel are accounted for using the liability method under which deferred tax liabilities and assets are recognized based on the expected future tax consequences of the differences between the financial statements and tax bases of assets and liabilities using enacted rates in effect for the year in which the differences are expected to reverse. A valuation allowance is established when it is more likely than not that all or a portion of a deferred tax asset will not be realized. Comtel did not have a provision or credit for income taxes for the years ended June 30, 2021 or 2020. At June 30, 2021 and 2020, Comtel had a deferred tax asset of approximately \$ 705,000 and \$ 652,000, respectively, primarily related to net operating loss carryforwards of approximately \$ 2,876,000. The deferred tax assets have been offset in full by a valuation allowance at June 30, 2021 and 2020 since, in the opinion of management, it is more likely than not that the deferred tax asset benefit will not be realized.

Note 16 - Employment Agreement

SFPBS and Comtel previously entered into employment agreements with a former officer (the SFPBS Agreement and the Comtel Agreement). SFPBS Agreement terminated May 14, 2004 upon retirement of the officer. Post-termination health insurance benefits will be provided at 50% of cost for the remainder of the employee's life. In addition, SFPBS has purchased a life insurance policy for the officer for which SFPBS is only entitled to receive an amount equal to the premiums paid. As of June 30, 2021 and 2020, the amount approximated \$ 367,600 and is included in the cash surrender value and premiums receivable in the accompanying consolidated statements of financial position.

Note 16 - Employment Agreement (continued)

The Comtel Agreement, provides for supplemental retirement benefits in the amount of \$3,000 per month to the officer or his beneficiaries for a continuous period of 15 years, which began in November 2004. In connection with its obligations under the Comtel agreement, Comtel has purchased a life insurance policy with a cash surrender value of approximately \$476,000 and \$464,000 at June 30, 2021 and 2020, respectively. The cash surrender value of this policy at retirement together with earnings thereon are expected to discharge the obligations in connection with the Comtel Agreement.

Note 17 - Donated Facilities

The land upon which the SFPBS Boynton Beach facilities were constructed was donated to SFPBS by the City of Boynton Beach, Florida. A deed restriction required the property to be used as a nonprofit education and/or public broadcasting facility. The estimated annual fair rent value of the Boynton Beach facilities for the years ended June 30, 2021 and 2020 was approximately \$ 731,600 and \$ 724,400, respectively, which is recorded as an in-kind contribution revenue and expense in the accompanying statements of activities.

Note 18 - Commitments and Contingencies

Leases: SFPBS has operating leases for equipment and real estate which expire through fiscal year 2023. Two additional leases contain a bargain purchase option and are accounted for as capital leases. Following the sale of a broadcast tower and transmitter building in fiscal year 2014, SFPBS entered into an initial 15-year capital lease for space on the tower.

In February 2019, SFPBS sold its North Miami property and entered into a 2-year leaseback with the buyer effective March 1, 2019. The leaseback came to an end as of June 30, 2021.

Total rent expense for all operating leases amounted to approximately \$ 334,800 and \$ 402,700 for the years ended June 30, 2021 and 2020, respectively.

The capital leases are collateralized by property with a net book value of approximately \$ 620,150, net of accumulated depreciation of approximately \$ 329,380. Depreciation on these capital leases is included in program expense.

Approximate future minimum lease payments at June 30, 2021:

Years Ending June 30,	Capital Leases	Operating Leases

Note 18 - Commitments and Contingencies (continued)

Risks and Uncertainties: The coronavirus (COVID-19) outbreak has caused disruption in international and U.S. economies and markets. The coronavirus and fear of further spread has caused quarantines, cancellation of events, and overall reduction in business and economic activity. On March 11, 2020, the World Health Organization designated the coronavirus outbreak a pandemic. Management and the Board of Directors continue to evaluate and monitor the potential adverse effect that this event may have on SFPBS's financial position, operations and cash flows. The full impact of COVID-19 is unknown at this time and cannot be reasonably estimated as these events are still developing.

Note 19 - Joint Master Control

SFPBS is a founding member, along with other public television stations, of Digital Convergence Alliance (DCA). DCA is qualified as a nonprofit organization under Internal Revenue Code Section 501 (a) as an organization described in Section 501 (c)(3) and is exempt from income taxes. It will serve as the governing body through which stations will combine their individual master control, traffic operations and delivery systems into a combined, centralized unit designed to achieve maximum performance and cost efficiency.

DCA is the recipient of a \$ 7 million grant from the Corporation for Public Broadcasting for the purpose of financing DCA's purchase of equipment. Member stations contributed a combined total of \$ 777,777; SFPBS's share was \$ 70,707. During the years ended June 30, 2021 and 2020, SFPBS expended approximately \$ 22,600 and \$ 22,600, respectively, for future services which are reflected as prepaid expenses and the \$ 70,707 is being amortized over the 10 year initial service period. The remaining balances of approximately \$ 28,300 and \$ 35,300 at June 30, 2021 and 2020, respectively, are included in other assets on the statements of financial position.

The member stations will pay annual fees to DCA to cover the cost of operating the master control services, administrative services, insurance, capital needs, etc. SFPBS incurred approximately \$ 271,900 for each of the years ended June 30, 2021 and 2020. Member stations are required to continue their participation in the DCA for ten years in order to avoid penalty (at CPB's discretion, penalty of 10% of the grant amount during the first five years and 5% of the grant amount during the second five years).

Note 20 - Related Party Transactions

During the years ended June 30, 2021 and 2020, the Organization recorded approximately \$1,300,000 and \$2,200,000, respectively, in contributions from board members and their related entities.

Note 21 - Paycheck Protection Program

Through a local financial institution, the Organization received \$862,495 and \$950,000 during the years ended June 30, 2021 and 2020, respectively, from the U.S. Small Business Administration ("SBA") as part of the *Paycheck Protection Program* ("PPP"), which is designed to provide a direct incentive for small businesses to keep their employees on the payroll. The Organization has elected to account for the PPP funds in accordance with FASB's ASC 958-605, *Not-for-Profit Entities - Revenue Recognition*. Under this method, the PPP funds were recorded as a refundable advance in the statements of financial position when it was received in March 2021 and April 2020, respectively. During the respective fiscal year, South Florida PBS, Inc. recognized the full amounts in revenue as the related conditions were deemed substantially met by management. The Organization has applied for full forgiveness of both advances which have been approved by the local financial institution.

Note 22 - Supplemental Cash Flow Information

Other Noncash Investing and Financing Activities:

Acquisition of property and equipment Cost of property and equipment \$ 2,282,623
Less applicable financing (349,534)

Cash paid for property \$ 1,933,089

Note 23 - Management's Action Plan

For the year ended June 30, 2020, SFPBS recorded an operating deficit (reduction in net assets before pension adjustment) of \$ 1,482,657. During the preceding two fiscal years, the change in net assets before the pension liability adjustment totaled (\$ 2,808,804), resulting in a reduction in total net assets of approximately \$ 4,291,000 through June 30, 2020. In addition, like many other organizations, SFPBS experienced a decline in revenues beginning in the last quarter of FY2020 resulting from COVID-19 related issues. As a result of these matters, management and the Board of Directors took steps by adopting a fiscal year 2021 budget break-even result, before depreciation, to be achieved by significantly reducing expenses, pursuing additional earned revenue streams, and cultivating bequests and other large gifts. Planned expense reductions, which were fully realized by the end of fiscal year 2021, included vacating the Miami WPBT facility and terminating the building lease, cutting all discretionary spending for potential investment opportunities and productions with zero profit margins, and minimizing travel and special event costs. Management has demonstrated its commitment to this plan by meeting its fiscal 2021 budget goals and establishing a baseline for future financial performance, which were incorporated into its fiscal 2022 budget.

INTERNAL CONTROLS AND COMPLIANCE

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors South Florida PBS, Inc. and Affiliates

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of South Florida PBS, Inc. and Affiliates (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 20, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

BEST PLACES TO WORK

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
